family

**Hey so I really shouldn't do this but I couldn't help myself. This is gonna be a probably endless series of one shots and if they are 2 or more I'll let you know. But if not it's one shot. This was inspired by (kanan and ezra) and (memory's) and spaceblueberry's - check em out. **

So I need request.

Don't be afraid to blow up my pm box and bother me cause I love it. I'll take anything. Well almost. It's family so no romance, I'll do a little kanera but only involved with ather things, it wouldn't be the point of the one shot. But other than that. Request. Comment or pm

Thanks.
